

Presentation format

If you are going to present your paper, take into consideration the following details:

- Bring your USB with your power point (or other format) presentation. There will be audiovisual equipment. You can download your presentation, as well, from your email account.
- Sessions will last one hour and 15 minutes each one.
- Four participants will present in each session.
- Each participant will have approximately 15 minutes for presentation.
- Sessions will take place on the three days of the congress: October Thursday 9, Friday 10, and Saturday 11.
