
OPEN COMPLETED PAPERS

Open completed papers should be in Times New Roman, 12 point font. Papers should consistently follow a standard recognized style of documentation (APA, MLA, Chicago, etc.). As well, papers should not exceed 30 double-spaced pages, to allow for competitive reader review. All papers are also expected to carry an abstract, a works cited list, and a brief biography of the author(s).

If submitting an open completed paper for inclusion in the 2008 Congress of the Americas, the cover page should be formatted accordingly:

Title of Submission: "Please place the Title of Your Presentation In this section."

Abstract: Each abstract submission should include the full abstract, followed by a set of relevant keywords. All body and text should be set in 12 point Times New Roman type. Following the abstract should be the listing of all authors responsible for the work, who must present at the Congress.
